Expert Witness & Forensic Valuation Services

Legal disputes in the hospitality industry often require the specialized knowledge of an IHK-certified hotel expert to resolve complex issues. Our hotel valuation specialists provide comprehensive support both out-of-court and during ongoing litigation, delivering court-appointed expert reports, arbitration assessments, and party-appointed expert testimonies.

Court-Appointed Expert Services (Expert Witness)

Commissioned by local, regional, and higher regional courts, our experts deliver forensic reports on all disputes related to the hotel and catering industry, with a focus on financial and operational performance. In Germany, court-appointed experts are compensated according to the **JVEG (Judicial Remuneration and Compensation Act)**.

Arbitration & Out-of-Court Dispute Resolution

To prevent lengthy legal battles, the Chambers of Industry and Commerce (IHK) have developed recommended clauses for out-of-court dispute resolution, including mediation and arbitration. Using these specialized arbitration services can significantly reduce the time and cost involved in settling industry-specific conflicts. We would be pleased to demonstrate the expertise and efficiency of our certified hotel specialists in the field of litigation support.
