Our firm is committed to the highest standards of professional integrity and technical precision. We are proud to hold the Quality Seal of the **IfS (Institut für Sachverständigenwesen e.V., Cologne)**. This prestigious accreditation serves as a formal verification of our expertise, granting us the necessary credentials to serve as court-appointed experts and consultants for government agencies. For our commercial clients, this certification offers an additional layer of security. It guarantees that our hotel valuations and advisory services are conducted according to the rigorous quality standards required by judicial and regulatory bodies. Whether for litigation, complex transactions, or institutional asset management, our IfS-certified experts provide the reliability and transparency that modern hospitality stakeholders demand.
